بسم الله الرحمن الرحيم

الحمد لله نحمده ونستعينه ونستغفره ونتوكل عليه ونعوذ بالله من شرور أنفسنا ومن سيئات أعمالنا، من يهده الله فلا مضل له، ومن يضلله فلا هادي له، ونشهد أن لا إله إلا الله ونشهد أن محمدًا عبده و رسوله. ربِّ اشرح لي صدري ويسّر لي أمري واحلل عقدة من لساني يفقهوا قولي، أما بعد!

Had there not been the Beloved Messenger ﷺ, we would not have been. There would have been no chain of divine guidance in this universe, and all men would have been nothing more than mere beasts. How then would the apportionment of Heaven and Hell be made? The Almighty ﷻ joined the Name of the Prophet ﷺ with His own, introduced him to approximately one hundred and twenty-four thousand prophets (peace be upon them all), and made him the leader of the best of creation — *Afḍal al-Khalā'iq*. After His own exalted Self, Allah ﷻ granted him the highest rank of honour and greatness. The dust beneath his blessed feet ﷺ reached the *Sidrat al-Muntahā* (the utmost boundary in the heavens). On the Day of Judgment, all prophets (peace be upon them) will say: "Go to him ﷺ for intercession!" Thus, whoever believes in him ﷺ is destined for Paradise, he becomes fortunate, successful, and truly blessed. And whoever rejects him has earned the wrath of the Lord of all worlds, he is doomed, wretched, and utterly lost.

For the past month in India there has been a campaign of vilification concerning the exalted and sacred status of, after God the most high, Muhammad al-Mustafa, Ahmad al-Mujtaba (may peace and blessings of Allah be upon him). Vilification, blasphemy of such a kind, such despicable words that upon reading or hearing them the soul would tremble, the body would involuntarily cry out and the eyes would weep, *Indeed, we belong to Allah and indeed to Him we will return!*

Concerning the despicable series of blasphemies against the Beloved ﷺ that is currently ongoing in India, we set forth two points for two different addressees:

To the Muslims, we say It is incumbent upon every Muslim, Arab or non-Arab, White or Black, *Hindi* or *Hijazi*, to take revenge for their Prophet ﷺ and put an immediate stop to this series of blasphemy. It is obligatory upon all Muslims the world over to kill those who insult the Messenger of Allah ﷺ, for this purpose whichever knife or dagger may be available, whichever cleaver or axe is at hand, whatever stick or hammer comes by - should be used. We Muslims should identify the ringleaders of the blasphemers, those high government officials and leaders of Hindu organizations like the RSS, should be our foremost targets, for they are the ones behind this campaign of insults openly and covertly. The truth is that it is only a matter of time before the heads of some blasphemers are severed from their necks and this blaspheming breed will be hiding in their homes. By Allah the Magnificent! If in defence of the Messenger of Allah ﷺ we ourselves become martyrs, there is no death more excellent than to die for that Prophet ﷺ whose *Kalimah* we pronounce with every breath! We are the heirs of Muḥammad ibn Maslama and ʿAbdullāh ibn Atik, of Umair ibn Adi who was blind in sight, yet had a vision clearer and sharper than all the seeing. We are the heirs of those honourable companions of the Prophet ﷺ who eliminated the insolent blasphemers, and were graced with the distinction of *"Aflaha tul Wujuh"* May these faces remain forever triumphant, may Allah be pleased with them.

Hence, in our minds and hearts, this issue should always remain crystal clear that slaughtering the blasphemers in the defence of the Messenger ﷺ is such a clear command in the Religion of Allah that the Prophet ﷺ himself is reported to have said, "Not even two goats will differ in this matter"[1]. Imam Malik, may Allah have mercy on him, is famously

[1] Mentioned by Ibn ʿ*Abd al-Barr* with a weak *Isnād* but the meaning is established.

reported to have said, “What justification is there for the survival of an Ummah whose Prophet is insulted?”[2]

Therefore, success and triumph in this world and the Hereafter, and the pleasure and approval of Allah and His Messenger, are destined for whoever defends the Prophet (peace be upon him) and acts upon his command: “Whoever insults a prophet, kill him!”[3]

O Allah, grant victory to those who support the religion of Muhammad (peace be upon him), make us among them, disgrace those who disgrace the religion of Muhammad (peace be upon him), and do not make us among them. Aameen, O Lord of the Worlds.

Our second addressees are the Hindus of India. In every nation there are some sensible and intelligent people; the Hindus living in India will not be devoid of such wise people. To such people we say: The history of the world bears witness that whoever has committed the crime of insulting the Messenger of Allah ﷺ has never been forgiven. The insult to the Messenger ﷺ is a challenge to the entire Muslim Ummah and, prior to that, an invitation to the wrath of Allah, the One without partner. So, O sensible Hindus residing in India! Restrain your fools from such crimes, otherwise the fire that is being kindled in India's streets today in the form of insults to the Messenger ﷺ will burn the whole of India down to ashes. *“And that is not difficult for Allah!”*

وآخر دعوانا أن الحمد لله ربّ العالمين وصلى الله على النبي!
